
The EHCB Foundation Gala Fundraiser was a roaring success!

The first-ever EHCB Foundation Gala Fundraiser at Golf Privé in Glyfada, Greece, ended up making history.

The members of the EuroLeague Head Coaches Board, the Mayor of Athens, Haris Doukas, the Minister of Digital Governance of Greece, Dimitris Papastergiou, legends like Dimitris Diamantidis and Thodoris Papaloukas, and representatives of the business world, like longtime EHCB sponsors Milimetric Bespoke Tailors and Spanos Group with the Cherry Brand, joined forces for a sacred cause.

The EHCB Foundation is dedicated to supporting our communities by raising awareness for individuals with special needs or those facing unique challenges, as sports unite and know no boundaries.

That was the purpose of a night to remember, with unique items being auctioned for a good cause to help kids through sports, starting his autumn with a camp in Tunisia.

The night concluded with music by the popular Greek singer Giorgos Giannias, with the first day of the EHCB Coaches Congress ending on a high note.
